EXPLANATORY MEMORANDUM

It is the Parish Council's intention that the Burial Ground will be laid out as a lawn cemetery. By definition this means that there will be no grave mounds or kerbs around graves. Memorials may be erected in accordance with these regulations in the 2ft wide bed set aside for the purpose at the end of each grave.

The graves will be arranged in single rows and any Memorial will therefore be at the head of the grave in the aforementioned 2ft wide bed.

"grave" means a burial place formed in the ground by excavation and without an internal wall of brickwork or stonework or other artificial lining, including a grave excavated for the burial of cremated remains.

2. NOTICE OF INTERMENT AND PAYMENT OF FEES

2.1 Notice of an intended interment shall be in the form prescribed by the Council from time to time, and submitted to the Clerk who will allocate a grave.

2.2 Notices of intended interment may be sent through the post at the sender's risk, and the Council will not accept any responsibility whatsoever should it be delayed or lost in transmission; in the alternative, if notice is given in a matter of urgency by telephone, it will be at the risk of the person making such application and must be confirmed in writing in the form of notice of intended interment within 48 hours.

2.3 All arrangements for interment shall be made through a bona fide Funeral Director.

2.4 All fees due under these regulations, payable at the time of Notice of intended interment, must be paid to the Clerk, and no interment shall take place until such fees have been paid.

INTERMENTS

3.1 The Clerk is authorised to limit the number of interments which may take place on any one day.

The time arranged for a funeral shall be that of arrival at the graveside.

The Council accepts no responsibility whatsoever for any failure in the arrangements for a funeral due to circumstances beyond the Council's control.

The Council reserves the right of passage over all graves, and to temporarily cover any grave for the purpose of re-opening an adjacent grave as circumstances may require.

Graves will be dug in strict rotation in accordance with the plan of the Burial Ground, unless the grave relates to a previously purchased right of burial.

Funeral Directors shall provide sufficient Bearers to convey each coffin reverently from the hearse to the appropriate grave.

All first interments shall be at a minimum depth of 7ft 6in.

No grave shall be deepened after the first burial.

On the occasion of a second burial in a grave, there shall be a layer of earth not less than 6 inches in thickness, plus the thickness of the coffin board between each coffin. If, on re-opening a grave, the Council considers the soil to be offensive, the soil shall not be disturbed.

No part of any coffin shall be less than 4ft below the level of the ground adjoining the grave.

All interments shall be a standard grave plot size.

The exclusive right of burial must be purchased for all burials in the Garden of Remembrance. The scattering of ashes in any part of the Burial Ground is not permitted.

5. PURCHASE OF THE EXCLUSIVE RIGHT OF BURIAL

All graves may be purchased as an exclusive right of burial which is granted for a term of 50 years. This will be by way of deed of grant to the purchaser. The purchase of the exclusive right of burial is not the purchase of the grave itself, but only of the right to decide who shall be buried in that grave.

No grant of the exclusive right of bearing any grave will be issued in the name of the Funeral Directors or a firm of Funeral Directors or partners or employees in such a firm.

No right of burial may be purchased in advance of the first notice of interment.

The grant of the exclusive right of burial in any grave is at the absolute discretion of the Council.

Where the second interment is requested, it shall be accompanied either by the grant of exclusive right of burial, or by the written consent of the owner of that right, and where required by the Council in any particular case by the proof of ownership of such a right.

The Council's consent to the transfer of the exclusive right of burial to any third party is required, and shall be expressed in writing by endorsement upon the grant.
