Edlesborough Parish Neighbourhood Plan

The Edlesborough Parish Neighbourhood Plan has now been submitted to AVDC. It can be viewed at www.aylesburyvaldc.gov.uk/edlesborough-neighbourhood-plan and on the parish website www.edlesborough-pc.gov.uk

More information about this can also be found in a separate article in this edition of Focus.

Edlesborough Green Play Area & Roundabout

In March work commenced on the upgrading of the original Edlesborough Green play area surface, with the central fence being removed and the bark being replaced with safety matting & grass seed to match the later extension to the area.

It was anticipated that the older section of the play area would be closed for six - eight weeks due to health & safety reasons & to allow time for the new grass seed to germinate.

However due to children disregarding the signs and taped off play equipment the play area will now unfortunately remain closed for a longer period of time. Security fencing will also be erected at an additional expense to EPC.

Edlesborough Parish Council thanks you for your patience during this time.

EPC are pleased to announce the return of the refurbished children's roundabout. The roundabout broke in June 2016 and finally after much research Cllr Scott Mineikis successfully liaised with Luton Steels Ltd to refurbish the roundabout to its former glory. EPC are sure you will all agree that Luton Steels Ltd have done an excellent job on the refurbishment.

Hedges

EPC reminds parishioners to ensure that the planting around the boundaries of their properties does not overhang the pavement or road way, obstruct drivers line of vision or cause a danger or inconvenience to others.

Edlesborough Memorial Hall Acoustics

The installation of acoustic panels in Edlesborough Memorial has now been completed. These panels will greatly improve the sound quality in the hall, reducing the reverberation immensely.

Unitary Proposals

All parishioners are invited to participate in a survey on the unitary council proposals. The survey can be accessed via the website www.ors.org.uk/web/index.php/survey/index/sid/871873/lang/en
