Edlesborough Parish Council News (Including Edlesborough, Dagnall & Northall) February 2019

Traffic Calming Proposals for Dagnall & Edlesborough

EPC have been working with Transport for Bucks looking at ways to implement Traffic Calming measures on the B440 in Dagnall and along the B440 at the junction with Ivinghoe Way and the top of Pebblemoor, Edlesborough.

EPC will now send letters of Consultation to all residents of Dagnall and Edlesborough outlining the proposed traffic calming measures in their respective village. The Council urges residents to read the information carefully and to respond accordingly.

Allotments

Do you have a keen gardener in the family? We currently have plots available at all our sites. Anyone wishing to take on an allotment should contact the Clerk. Fees are £2 per pole and plots range in size from 5 – 10 poles.

Streetlights

Following a request from three parishioners in 2018 EPC considered installing four additional streetlights in Edlesborough. Residents adjacent to the four proposed locations were consulted; three locations were objected to. The Council proceeded with obtaining quotes for the purchase and installation of and connection of an energy supply to one additional light on the High Street in Edlesborough. At the December Council meeting Cllrs agreed not to proceed with the installation of this additional light due to the fee for providing an energy supply to the proposed new light being almost twice the amount of the purchase and installation cost.

Please report failed streetlights in Edlesborough, Dagnall and Northall to the Clerk for repair. When making a report please ensure you provide the Clerk with the information displayed on the lamp post.

County Cllr Anne Wight

Cllr Wight attended the December EPC meeting and reported on the following matters, her full report can be found on the EPC Website:

Salt Bins

The responsibility for filling these bins is with Transport for Bucks. When supplies are running low a refill request should be submitted via the website

<http://www.transportforbucks.net/report-it-general.aspx> It is more appropriate if a parishioner living close to the salt bin makes the request but in practise anyone can make the request.
