

EDLESBOROUGH PARISH COUNCIL

Minutes for meeting to be held on 20th June 2019 at Edlesborough Memorial Hall

<u>Agenda Item</u>		<u>Action</u>
<p>Open Forum</p>	<p>Mr T Manix a tenant at The Green allotments asked if the Council would consider installing an additional tap/standpipe at the allotments. He stated that he felt the current three taps were not fairly distributed throughout the site and that some tenants had to carry water too far to their plots.</p> <p>Cllr Wilkinson & Williams explained the following:</p> <ul style="list-style-type: none"> • That the taps had originally been installed by the allotment holders themselves. • An additional tap/standpipe would mean an increase in water charges and maintenance costs in addition to the installation costs. These costs would need to be passed onto the tenants. • The water board insists on taps with built in double check valves. These taps do not fare well in cold weather and despite the Council turning off water at the mains throughout the winter period it has been necessary to replace three taps already this year. • Installing water storage tanks beneath each tap as is the practise at Dagnall and Cow Lane allotments alleviates the need to queue for water. • The costs of repairing/replacing taps and installing the alternative proposed methods advised by the water board were shared with Mr Manix. <p>Cllr Williams advised Mr Manix that the following actions would be taken:</p> <ul style="list-style-type: none"> • Council will look at the positioning of the existing taps/standpipe. • Council will look at the cost implications of moving one of the existing taps/standpipe. • Council will look at the cost implications of installing an additional tap/standpipe. • Once all this has been investigated Council will revisit the matter at the July EPC meeting. • The Green allotment warden will be consulted and fed back to re the request. <p><i>Action: The warden will be advised that the tenants may install water storage tanks under each tap as is practise at the Dagnall and Cow Lane sites. The tanks then allow for rain water to be collected and for tenants to be able to quickly fill watering cans without having to take turns with the taps.</i></p>	<p>Clerk, JW & AW</p>
	<p>The Chairman formally opened the meeting at 7.41pm</p>	
<p>Present</p>	<p>Cllr Williams (Chair), Cllr Wilkinson, Cllr Mrs Owen, Cllr Green, County Cllr Anne Wight, District Cllr Chris Poll, Penny Pataky (clerk) and two Parishioners</p>	

EDLESBOROUGH PARISH COUNCIL
Minutes for meeting to be held on 20th June 2019 at Edlesborough Memorial Hall

Apologies	Cllr Cabbage (Vice-Chair), Cllr Nevard, Cllr Mrs Thomas, Cllr Pratt, PCSO Dodson.	
Declarations of Interest	None were declared.	
Minutes of Previous Meeting	The minutes of the Parish Council meeting held 16 th May 2019 were ratified and signed with no amendments.	
Matters Arising	Nothing was raised.	
County Cllr & District Cllr News	<p>County Cllr Anne White reported on:</p> <ul style="list-style-type: none"> • VAHT & BCC Grass Cutting Discussions • The Brownlow Bridge • Planning Applications CM/0017/19 and CM/0018/19 • Local Government Reorganisation • Resident Survey <p>A full copy of her report can be found on the EPC website.</p> <p>District Cllr Chris Poll gave the following report: <i>"I am delighted to report that the decision on the Swallowfields development has now been made. This, along with others, was long overdue. I would suggest this conclusion was not merely down to my appeal to our planning department, as the same issue was being repeated right across the Vale and I am sure others made similar representations. Thankfully the issues are resolved for the moment and your NDP will reduce the possibility of further speculative development applications.</i></p> <p><i>Our first Shadow Authority meeting has been held at which we agreed our constitution. Much in line with the existing 5 councils own constitutions it was unanimously approved. The possibility of any group of councillors requesting that establishment of a Working Group committee was agreed and in that respect I, along with the other council Chairmen and Vice Chairmen, will seek to compile a report for consideration regarding the future civic duty role in the new Buckinghamshire Council."</i></p>	
Defibrillator	Bellway Homes have donated an AED via Nicky Lack to Community First Responder for the Parish.	

EDLESBOROUGH PARISH COUNCIL

Minutes for meeting to be held on 20th June 2019 at Edlesborough Memorial Hall

<p>CFR's</p>	<p>Cllrs considered the best location for it would be Dagnall Village Hall. Representatives from DVH Committee confirmed they would be happy for the AED to be installed at this location. Council agreed that this AED would be supported in the same way as the other AED's in the Parish.</p> <p><i>Action: Clerk to ask Nicky Lack to confirm with Bellway Homes that they are happy for the AED to be installed at DVH. Nicky Lack to fund raise to cover the costs of installation and the heated AED cabinet. Once this is achieved the AED can be installed.</i></p>	<p>Clerk</p>
<p>EMH</p>	<p>The Annual PAT Test has been completed and all tested appliances passed. It was advised that the due to the fridge/freezer being hardwired it could not be tested. It is strongly recommended that this is not hardwired.</p> <p><i>Action: Clerk to request a quote to change the wiring of the fridge/freezer to ensure it can be tested and is compliant with the current regulations.</i></p>	<p>Clerk</p>
<p>Pavilion</p>	<p>The Annual PAT Test has been completed and all appliances were found to be compliant.</p> <p>The manager has advised the Carnival committee that they will need to store their electrical board elsewhere following this year's carnival. This board has been safety checked in readiness for the Carnival.</p> <p>The two faulty smoke alarms have been replaced.</p> <p>A new kettle has been purchased to replace the faulty one.</p>	
<p>The Green</p>	<p>Council agreed that a donation of £250 would be a suitable amount for a parishioner to sponsor an existing bench on Edlesborough Green. It was agreed that the parishioner would choose one of the currently unsponsored benches to sponsor.</p> <p><i>Action: The Clerk will provide information of the plaque specification for Cllr Mrs Owen to pass onto the parishioner, along with the confirmation of the agreed amount.</i></p> <p>The contractor, manager & a representative from the Carnival committee are assessing whether the trees adjacent to the play area need a prune to allow enough clearance for the Carnival procession. Any costs incurred by tree pruning for this purpose will be passed onto the Carnival Committee.</p>	
<p>Play Area</p>	<p>The wet pour surface around the children's roundabout was completed. Unfortunately the Council was not able to accept the work due to the surface breaking up within days of installation and not being fit for purpose. The company</p>	

EDLESBOROUGH PARISH COUNCIL

Minutes for meeting to be held on 20th June 2019 at Edlesborough Memorial Hall

	<p>has agreed to return and remove the faulty surface and to replace it with a new correctly laid surface</p> <p>The Council contractor has reported that the chemicals in the old bark in the play area are most likely interfering with the grass growth in the play area. Since changing the surface the contractor has put down several applications of grass seed. The contractor has been advised that the ability for grass to grow should improve over the next few years as the chemicals dilute.</p> <p>The Annual Play Area Inspection has been completed. A few minor improvements were identified. The manager has asked the contractor to action the recommendations ASAP.</p>	
Sports Clubs	ECC have returned their annual agreement & key holder info.	
Allotments	<p>See notes in Open Forum.</p> <p>The Clerk met with a representative from the water board who was carrying out a Water Regulations Compliance Inspection. The issue with the failing high number of taps was discussed and the inspector will put some recommendations in writing to the Council, he advised that his suggestions would cost in the region of £250 per tap. He identified one tap at the Green site as needing replacing. The Clerk is yet to hear about the Cow Lane inspection. <i>Action: Once the Council has agreed the action following the request for an additional tap at The Green site the tap at The Green will be replaced.</i></p> <p>A request for the use of hosepipes at The Green site has been refused in line with the terms of the allotment agreements. <i>Action: The warden will be advised that the tenants may install water storage tanks under each tap as is practise at the Dagnall and Cow Lane sites. The tanks then allow for rain water to be collected and for tenants to be able to quickly fill watering cans without having to take turns with the taps.</i></p> <p>Plots available: Dagnall – 8 Cow Lane – 0 We now have a waiting list for this site.</p>	<p>Clerk</p> <p>Clerk</p>

EDLESBOROUGH PARISH COUNCIL

Minutes for meeting to be held on 20th June 2019 at Edlesborough Memorial Hall

	<p>Northall – 0 We now have a waiting list for this site. The Clerk has written to one tenant whose plot appears to be unworked to remind them of the terms & ask their intentions The Green – 3</p> <p>Following reports of hosepipe usage at the Dagnall site – the warden has attached notices to the taps reminding tenants that the use of hosepipes is forbidden.</p> <p>The Clerk received a complaint about a bonfire at Dagnall Site – the bonfire was in the evening, the tenant who had the bonfire contacted the Clerk prior to the resident who complained and apologised, explaining that the wind had changed direction. Tenant was reminded of rules about bonfires on the allotments. The Clerk recorded the resident’s complaint and explained the rules. The resident pointed out that not all plots are numbered as they should be. <i>Action: The Clerk will ask the wardens to remind all tenants that they must ensure that their plot is numbered in line with the terms of their allotment agreement.</i></p> <p>Cllr Wilkinson proposed the following changes to the allotment agreement in reference to fruit cages: <i>“The Tenant shall not erect any building or other permanent structure on the Allotment, nor fence the Allotment, without first obtaining the consent of the Allotment Warden. If the Tenant wishes to erect more than a single shed, greenhouse and/or polytunnel, the consent of the full Council must be obtained. Tenants are required to remove any such structures on the Allotment on termination of the tenancy, unless otherwise agreed by the incoming tenant or the Allotment Warden.</i> <i>Fruit cages are permitted on all sites. Sheds and greenhouses no more than 3m x 2.5m and polytunnels no more than 5m x 3m will normally be allowed except on the Edlesborough Green site where no structure more than 1.5m high is permitted (other than fruit cages). Temporary fencing no more than 1m high to protect the Allotment against wildlife is permitted on all sites. Concrete bases are not permitted and fence posts must not be concreted into the ground. The use of barbed wire, razor wire or similar is not permitted on the Allotment. Any structures erected before 29 September 2015 that exceed the dimensions specified above will continue to be allowed until termination of the tenancy.”</i> Council agreed to the changes. <i>Action: Clerk to update the master agreement accordingly and ensure the wardens are familiar with the changes.</i></p>	<p>Clerk</p> <p>Clerk</p>
<p>Cemetery</p>	<p>The Clerk received a complaint about the length of grass/grass cuttings at the cemetery and that two graves had not been cut and look untidy due to long grass and daffodil leaves.</p>	

EDLESBOROUGH PARISH COUNCIL

Minutes for meeting to be held on 20th June 2019 at Edlesborough Memorial Hall

	<p>The clerk spoke to the contractor and responded with the following: <i>“The grass is usually cut once a fortnight during the growing season. The time between cuts has recently been slightly longer due to the EDaN Beautification group asking that the celandine flowers and bulbs were not cut until they had finished. Unfortunately leaving it slightly longer between cuts means that the grass cuttings are longer than normal particularly at this time in the growing season.</i> <i>As you state in the email our contractor does keep the cemetery cut to a high standard. Grass is only blown away from the memorial stones in the cremated remains area.</i> <i>The graves with longer grass and the remnants of bulbs will be cut on the next cut. I am sure you can appreciate cutting grass with bulbs growing through can be tricky and it is necessary to wait until the bulbs are completely finished before they are cut so as to ensure the bulbs flower again next year.”</i></p> <p>The contractor has cut and weed sprayed the track between the bridleway and cemetery.</p>	
Churchyard	<p>A parishioner commented to Cllr Williams about the length of the grass at the Cemetery. This was also followed up with the contractor who advised that it had been cut and that it had been allowed to get slightly longer due to the same reasons as the cemetery.</p>	
Bridle Path	<p>Nothing to report.</p>	
War Memorial	<p>The Clerk has contacted five companies for quotes for the cleaning of the War Memorial. To date two quotes have been received. Council agreed that the companies must confirm what method they will use to clean the War Memorial and that the company must be a recommended cleaner from the War Memorials Trust. <i>Action: Clerk to ask companies to confirm cleaning method. Quotes to be shared with Full Council and Burghope Trust once three quotes are received.</i></p>	Clerk
Bus Shelters	<p>Nothing to report.</p>	
Litter Bins, Dog Bins, Car Parks	<p>Edlesborough Stores have removed their litter bin. This is due to parishioners using the bin for their own waste. The shop owners have video footage of people parking by the bin and unloading large amounts of rubbish from their cars into the bin. They have had numerous complaints about the bin being full or overflowing. As the shop incurs charges for their</p>	

EDLESBOROUGH PARISH COUNCIL

Minutes for meeting to be held on 20th June 2019 at Edlesborough Memorial Hall

	<p>large green bin to be emptied they have taken the decision to remove the bin. The Clerk has contacted AVDC to see if it is possible to request an additional green litter bin at this location to be added to their round. AVDC are currently reluctant to install a bin at this location as there is evidence that the shops bin was misused and they do not want to install a bin that will be misused. The shop is required to take responsibility for the area outside the shop but there is no statutory requirement for them to provide a bin. AVDC suggests EPC monitor the situation and if there is an increase in littering at the location EPC can contact AVDC again with a view to exploring installing a bin.</p> <p>The Council contractor has been asked to regularly empty the yellow litter bin outside the tennis courts.</p> <p>Council agreed to Cllr Cubbage’s request for an additional dog waste bin is installed on Southend Lane, Northall. <i>Action: The Clerk will confirm the location with AVDC and request the additional bin is added to the collection round. The Clerk will purchase the bin and arrange for the Council contractor to install it.</i></p> <p>Following the installation of fencing at the amenity land adjacent to the doctor’s surgery access to the dog bin is difficult. Council agreed to relocate this bin to outside the fenced area. <i>Action: Clerk to ask the contractor to relocate the bin.</i></p>	<p>Clerk</p> <p>Clerk</p>
<p>Noticeboards</p>	<p>Nothing to report.</p>	
<p>Streetlights</p>	<p>EPC have been overcharged for May’s streetlight energy. SSE apologise apparently there is a fault on their system. Once it is rectified a credit will be applied to the EPC Account. <i>Action: Clerk to monitor and ensure this error is rectified ASAP.</i></p> <p>The Clerk has provided numbers for the three new lights on Cow Lane to Careys. These will shortly be tested and then once all is in order transferred to EPC. The light at the junction of Cow Lane and Damson Close is currently failed and this has been reported to Careys.</p>	<p>Clerk</p>
<p>BCC Devolution</p>	<p>The EDaN Beautification Team are disappointed in the mess left on the grass verges when the contractor cut the grass and daffodils. As the Council know the EDaN Beautification Team ask that the grass is not cut until the daffodils have reached a certain point, unfortunately this leads to a messy period following the cut.</p>	

EDLESBOROUGH PARISH COUNCIL

Minutes for meeting to be held on 20th June 2019 at Edlesborough Memorial Hall

	<p>Three residents of The Green have been written to with a request that they cut their hedges back as they are causing significant narrowing to the pavement:</p> <ul style="list-style-type: none"> - One has responded informing the clerk that they will action this shortly. - Another has responded saying they are concerned they will disturb the nesting birds & kill the hedge. The Clerk explained that the Council has similar issues with the hedges that they maintain but that the pavement must be kept clear and asked that the resident cut their hedge back in stages after inspecting it for nesting birds. The resident agreed to this & said they would inform the Clerk if nesting birds stopped this from happening. <p>Residents adjacent to The Pastures hedge have been informed that the hedge will be cut in the last week of June/first week of July.</p> <p>Residents of The Green and the top of the High Street have been sent letters asking them not to park on the grass verges.</p> <p>New Grass Verge on Cow Lane. The Clerk has contacted Careys and Bucks CC to establish who is responsible for the cutting of this new grass verge. Gill Quanton at the Unitary meeting advised the Clerk that the Council should be informing Careys that they are responsible for the grass verge not asking them who is. To date the Clerk has received no response from Careys or Bucks CC.</p> <p><i>Action: Clerk to chase a response from Careys and Bucks CC.</i></p> <p>Cow Lane to Summerleys Right of Way EDL/19/1 – The Clerk contacted Bucks CC RoW in an attempt to establish the ownership of this RoW as there are now complaints about fly tipping & quad bikes using it. This RoW is not devolved to EPC, therefore the Clerk is asking Bucks CC to be more proactive in helping the village with this issue. Alistair McVail at Bucks CC RoW has said that Bucks CC may be able to install a drop bollard at this location. These are usually installed where there is a livestock issue but given the issues with fly tipping & quad bikes he is prepared to look into this & who owns the land.</p> <p>Cllr Wilkinson provided the Clerk with contact information of the possible land owner. The Clerk will write asking if they own the land and whether they have any objection to a barrier of some form being installed at the start of the RoW.</p> <p><i>Action: Clerk to write to possible land owner.</i></p>	<p>Clerk</p> <p>Clerk</p>
<p>Finance</p>	<p>The Accounts for month ending 31st May 2019 having previously been circulated to the Councillors were agreed.</p>	

EDLESBOROUGH PARISH COUNCIL

Office Costs	£50
Total	£5,468

Insurance & Fixed Assets Review – deferred to July meeting when the Clerk, JW & KC plan to have finalised their recommendations.

Annual Return 2018/19

The internal audit has been completed by Stephen Brewer. He has advised the Clerk that due to workload he is unable to audit the EPC Accounts in the future. He also gave Cllr Nevard & the Clerk useful information about collating the info for the VAT Return in a less time consuming manner.

The Council agreed the Annual Return for 2018/19 which was then signed by the Chairman and RFO.

Action: Clerk to submit the Annual Return 2018/19 and supporting documents to PKF Littlejohn for audit.

Summary Presentation of EPC Accounts.

Following discussions at previous Council meetings Cllr Wilkinson had circulated the proposed “Summary Presentation of EPC Accounts” to the full Council prior to the meeting. Council agreed to the Summary of EPC Accounts being published

Clerk

EDLESBOROUGH PARISH COUNCIL

Minutes for meeting to be held on 20th June 2019 at Edlesborough Memorial Hall

	on the website alongside the Annual Return. Should this prove successful this document will be produced annually. <i>Action: Clerk to publish, alongside the Annual return once this has been returned by PKF Littlejohn.</i>	Clerk												
New Pavilion	<p>Council ratified its decision which had been agreed earlier in the month by email to appoint PWC Building Control Services Limited to make a ‘Full Plans’ submission to an Approved Building Control Body(BCB), to check that the final plans satisfy all the relevant Building Regulations & Fire Safety Standards before the project goes out to tender.</p> <p>The Clerk has submitted the first invoice from Richard J Diggle Ltd to Jan Roffe at NHB for approval and payment.</p> <p>Cllr Green asked if due consideration has been given to the tendering process for this project, Cllr Williams confirmed that advice had been sought from BMKALC and that the correct process will be followed.</p> <p>Cllr Green and Cllr Williams agreed to meet to answer the questions raised in an earlier email by Cllr Green.</p> <p>A further working party meeting will take place shortly.</p>	AW & AG												
Projects	<p><u>Cow Lane Car Parking/Amenity Land:</u> Work has commenced on the extension to the Doctors surgery car park. Council ratified its previous decision to fund a third of the cost of these works and a purchase order has been raised accordingly.</p> <p><u>Outdoor Exercise Equipment</u> – project on hold until DVH complete their replacement Children’s Play Equipment project.</p>
