

Hiring Charges

Please note that:

- Northall Village Hall (NVH) is very popular and the demand for bookings is always high. The Hall Bookings Secretary is a volunteer and just doesn't have the time to answer all the questions that prospective Hirers would naturally want to ask. Nor does she have the time to show prospective hirers around the Hall. Accordingly, we have spent a great deal of time making sure that our website has all the answers to every conceivable question you might have. So, **BEFORE** making an enquiry, please visit: www.edlesborough-pc.gov.uk/nvh
- The Bookings Secretary endeavours to provide an excellent service but she does have family & other commitments but she will always try to get back to you within 24 hours.
- Northall Village Trust (NVT) works hard to keep the Hire Charges as low as possible by doing a great deal of the work itself (all on a voluntary basis), by using a minimum amount of paid caretaking help, by very strict control of all costs and by encouraging all Hirers to be as energy efficient as possible with the electricity.
