EDLESBOROUGH COMMON (the Pebblemoor end of Edlesborough Green)

Edlesborough Parish Council has applied to the Secretary of State for Environment, Food and Rural Affairs for consent under section 38 of the Commons Act 2006/section 23(2) of the National Trust Act 1971/article 12 of the Greater London Parks and Open Spaces Order 1967* to carry out restricted works on the Southern (Pebblemoor) End of Edlesborough Green. The Planning Inspectorate will decide the application on behalf of the Secretary of State.

The proposed works are:

1. Installation of several items of children's play equipment on the southern side of the current children's play area, covering an area of approximately 700 square metres. The play items will be constructed primarily of wood. Standard plastic safety matting will be placed on the grass to provide the necessary safety surface. Within a few months, grass will grow through the matting which will then become almost invisible. The grass will then be cut as normal. No new fences will be erected.
2. Installation of a new path between the pavilion car park and the tennis courts to allow wheelchair access.
