

EDLESBOROUGH PARISH COUNCIL

The Coronation of His Majesty The King and Her Majesty The Queen Consort

Edlesborough Parish Council previously asked Parishioners for suggestions as to how they would like to celebrate this event. Unfortunately the Council has only received four responses and as a result has taken the decision not to organise an event to mark this occasion.

EPC hopes that Parishioners enjoy marking the event with their own celebration or event, perhaps by taking part in a street party or meeting up in one of the parishes parks for a Big Lunch/Picnic.

If you are planning to celebrate His Majesty King Charles III's Coronation in May 2023 with a STREET PARTY more information can be viewed at

To ensure you plan your event safely please consider the following information:

Different types of street party you can hold.

A small event which doesn't need a road closure

- This is called a Street Meet. You can do this without letting Buckinghamshire Council know; view the [Street Party website](#) for more information. You just need to make sure you keep the pavements clear to allow people to move safely through the street.

A street party that requires a road closure

- You'll need to apply for a temporary road closure over the Bank Holiday weekend (6 to 8 May 2023). Apply by 7 April 2023. Any applications received after this date may be declined because of the impact on emergency service routes.
- You can request an application form for a temporary road closure by emailing events@buckinghamshire.gov.uk.
