## ***7. Open Forum***

Parishioners in attendance asked about the recently submitted planning application

- 25/01407/APP, Land South of Cow Lane, Edlesborough, erection of 24 new dwellings.

Cllr Wilkinson explained that Council will be considering this application in the Ordinary meeting following this meeting. He will be recommending that Council refuse the application. If Council approve the recommendation the objection will be available to view on the Buckinghamshire Council website in the next few days.

He explained that in the absence of the Buckinghamshire Plan and Buckinghamshire Councils inability to demonstrate a 5 year housing supply, the Edlesborough Neighbourhood Plan is weakened. "Tilted balance" can be applied to planning applications, whereby if the planning officer judges that the application is a sustainable development it may be approved.

Currently Edlesborough Parish has some protection against applications due to the Chiltern Beechwoods Special Area of Conservation [Development in the Chiltern Beechwoods Special Area of Conservation | Buckinghamshire Council](#) This currently prevents any development within a 12.6 kilometre zone of influence (the zone within which mitigation will be required for net new residential development or equivalent) that extends from Ashridge Commons and Woods SSSI.

Parishioners were encouraged to submit their comments directly to Buckinghamshire Council via its website. Parishioners were reminded that Edlesborough Parish Council can no longer view comments on a planning application. Any parishioner wanting Edlesborough Parish Council to be aware of their comments should copy them to the Clerk via [clerk@edlesborough-pc.gov.uk](mailto:clerk@edlesborough-pc.gov.uk)
